

South Island Badminton Photograph Competition

In the Digital Age it is easy to get some great snaps of badminton to help promote the sport. Get them displayed on your website, send them to the media, posters in the community and so on.

To encourage this Mainland is running a Photograph Competition to get the best badminton related image.

Prizes: Racquets and shuttles to the Association/Club with the winning entry.

How it Works

- Each Association can enter up to a maximum of 5 photographs.
- At the Mainland AGM on the 19 August all 40 photographs will be displayed on a board and attendees of the meeting get to vote on which photo is the best. The photograph with the most votes receives the prize.
- All photographs will be displayed up at the Badminton NZ AGM in November also.

Rules:

- Get out and get snapping anything to do with badminton
- Send either printed photographs to Simon Maister, PO Box 24 191, Christchurch or electronic copies to simon@badminton.org.nz.
- Entries close Friday 11 August 2006
- Clubs/teams are eligible to enter through their Associations.
- A maximum of five photographs per Association.
